

All of these scams and efforts to mislead seniors for private financial gain are a result of the lack of standardized regulations and real accountability. It has been reported that the government pays private Medicare Advantage insurers an average of \$9,000 a year for each person enrolled. Private insurance agents receive between \$350 and \$600 commission for each person they enroll. With nearly nine million Americans currently enrolled in these private plans, the profits going to these insurers and away from America's health care system is astronomical.

Without a standard method used for regulation, the financial gain of private insurers will continue to rise at the health expense of seniors and the personal and financial stress of all Americans.

We must implement transparency requirements that will ensure companies are held accountable and publicly identified, in the event of marketing abuses. The Accountability and Transparency in Medicare Marketing Act of 2007 will address all of these issues. It will create standardized marketing practices to be enforced by the National Association of Insurance Commissioners (NAIC). These standard practices will exclude telemarketing and cold calling, deceptive selling and other abusive practices.

This bill will create transparency by requiring that all violations be reported to the Secretary of Health and Human Services and in turn reported to Congress.

Additionally, this legislation will require the NAIC to create a committee to study and make recommendations to the Secretary and Congress on the establishment of standardized benefit packages for Medicare Advantage plans.

This legislation will help us to continue our effort to make Medicare safe, beneficial and accountable to our seniors, family care givers and all Americans. It will enforce regulations that will demand ethical and helpful tactics. It will alleviate private insurers unfairly benefiting from the hard-earned dollars of all American families. Further, we will provide seniors and family care givers with the protection and care that they deserve. It is our responsibility to keep fraud and unethical practices from plaguing our health care system, and the Accountability and Transparency in Medicare Marketing Act of 2007 seeks to help us step up to this duty.

COMMEMORATING THE 40TH ANNIVERSARY OF THE COLLAPSE OF THE SILVER BRIDGE

HON. CHARLES A. WILSON

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2007

Mr. WILSON of Ohio. Madam Speaker, I rise today to commemorate one of the worst infrastructure disasters this Nation has ever seen. On December 15, 1967, at about 5 p.m., the Silver Bridge collapsed. It spanned the Ohio River from Gallia County in my district to Mason County West Virginia. That disastrous accident killed 46 people. Most of them had just left work and were headed home. This horrible tragedy, which was the result of the failure of a single eye-bar supporting the bridge, spurred Congressional ac-

tion that led to the first federal bridge inspection requirements.

Madam Speaker, I wish I could announce today that our nation wisely learned the lesson of the Silver Bridge Collapse. Unfortunately, the more recent collapse of the I-35 bridge in Minneapolis shows just how much our infrastructure has decayed because of inadequate investment. While I am glad that the appropriations bill we passed last night includes investment in bridges, I am convinced that much more work needs to be done.

On this 40th anniversary, let us take a moment to remember the 46 people killed in the Silver Bridge collapse. Even 40 years after the disaster, their absence is felt by their families and communities. Let us resolve today to honor their memories by doing all we can to ensure that the bridges, tunnels and roads that make up our nation's byways are safe and secure.

TRIBUTE TO THE CITY OF MCLEANSBORO, ILLINOIS

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2007

Mr. SHIMKUS. Madam Speaker, I rise today to honor the city of McLeansboro, Illinois upon receiving the Governor's Cup Award for efforts to build a youth playground in the city park.

The Kids Kingdom Playground was made possible thanks to a donation by the Jerry and Bobbye Sloan Hand-in-Hand Foundation as well as thousands of volunteer hours. I have had the opportunity to visit the Kids Kingdom Playground with Coach Sloan and I can attest that this is an excellent addition to the park for the McLeansboro community.

This project is a shining example of the willingness of a community to work together for the greater good. I extend my gratitude to those who made this playground a reality. I am pleased to congratulate the city of McLeansboro and all those who made the Kids Kingdom Playground possible.

HONORING THE INTERNATIONAL BACCALAUREATE PROGRAM AT BARTOW HIGH SCHOOL

HON. ADAM H. PUTNAM

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 18, 2007

Mr. PUTNAM. Madam Speaker, I rise today to congratulate the International Baccalaureate School at Bartow High School in Florida's 12th Congressional District for being recognized as a gold medal school in U.S. News & World Report's first ever ranking of America's Best High Schools.

U.S. News & World Report analyzed over 18,000 public schools across the United States in an effort to find the top 100 public schools. They used a three-step analysis to sort through the many schools taking into consideration how each school's students performed on state tests, evaluating how well each school's disadvantaged students performed, and looking at whether the school was successful in providing college-level

coursework. Bartow's IB School placed third among the 100 other gold medal schools. This is quite an accomplishment and I commend the school for leading the way in excellence and for their commitment to empowering young minds.

Bartow High School has a rich history of providing a high caliber education. Distinguished from other high schools in Polk County and from most high schools in Florida, its origin began in 1887 as the Summerlin Institute. Bartow High School is proudly 117 years old and because of its history and tradition, many of its former students have gone on to achieve great success.

Included in this list are distinguished leaders from various professions. Spenssard Holland served as Florida's Governor in the 1940s and as a U.S. Senator from 1946-1970. Army General James Alward Van Fleet served as a commander and led major campaigns in WWII and the Korean War, and President Truman once remarked that he was America's "greatest general." In addition, Kenneth Jerome Riley was honored as a Rhodes Scholar Candidate while attending Florida A&M University and went on to play as an NFL defensive back for the Cincinnati Bengals.

In 1996, Bartow High School embarked on its next endeavor when the school was selected by the International Baccalaureate World School program to offer the International Baccalaureate Diploma program. Students that attend the IB School are challenged with increased expectations in both academic and community involvement, and because of this they graduate ready to compete and enter into a fast-paced world that offers endless opportunities.

The IB School's mission is "to ensure each student has the opportunity to achieve his or her potential and creatively influence society by providing students with an advanced international curriculum." Today, it is my honor to commend Dr. Edwin Vetter and his staff of extraordinary educators, including some who shaped my classroom experience, for their dedication and hard work. It is clear that the commitment by both staff and students surpasses their mission, as the IB School continues to be recognized for its performance, not only in the State of Florida, but across the nation too. As an alumnus of Bartow High School, which hosts the IB school, I look forward to their many future accomplishments.
